Encourage Social learning and give more practical examples

Teaching must be in both hindi and english. Most of the professors teach in english language only.

Teaching process is good

Notes not provided to students

Experienced teachers

- 1) the subjects should be taught with real life examples in today's business environment
- 2) class notes should be more elaborative covering university exams & questions
- 3) request faculty from industry

Good Experience

There are no observations as such. I would like all my faculties to sustain with the same
