

10th December 2022

IndSearch signs MOU with PMA

On the 29th November 2022, IndSearch signed an MoU with the Project Management Associates in a ceremony at the Institute's Bavdhan Campus.

PMA is a not-for-profit registered Society, established in 1993, with the vision to 'Create a Project Oriented India'. PMA India promotes competence-based project management movement across the Industry, Academia and Institutions, through active engagements with

senior-level stakeholders and policy makers from the Industry, Academia and Government Departments.

PMA India is a committed partner to many leading industries for Capacity Building of their Project Professionals. Certification Programs based on the adoption of IPMA's globally recognized 4 Level Certification System are organised for industries for Competence Development and Assessment of their Project personnel.

On this occasion the National President of Project Management Associates India, Padmabhushan and Father of BrahMos Dr. A Sivathanu Pillai was present along with Mr. Tushar Trivedi, Manager Western Region for Project Management Associates. Director General, IndSearch, Dr. Ashok Joshi, Dean Dr. Sunita Joshi and Director Dr. Aparna Tembulkar were present for the MoU signing ceremony.

The MoU will benefit the students of IndSearch in obtaining Project Management certification and enhancing their employability

Dr. A Sivathanu Pillai also addressed the students on the theme "Future is India", highlighting various aspects of how technology was making it possible for India to leap forward into the future.
