## World Environment Day

On 5<sup>th</sup> June 2023, World Environment Day was celebrated with lots of activities at Indsearch Institute of Management Studies & Research, Bhavdhan. About 65 participants were present. Program started with welcoming speech by Mr. Ashish Khanekar. Participants planted 10 saplings in institute building. They also made around 300 seedballs of different plants like, mango, jackfruit, jamun, sonchafa, kavath. These seedballs were put in the paperbags which were specially prepared by students for this occasion. Director General of institute Dr. Ashok Joshi gave a speech on importance of World Environment Day. Director of institute Dr. Aparna Tembulkar also gave emphasis on the importance of environment and also appreciated efforts of participants. At the end of the program the seedballs were picked up willingly by participants to plant at various locations. Overall event was successful because of the participants willingness and guidance of faculty.
