

6th June 2023

Blood donation camp

On 6th June 2023 Blood Donation was organized at the Institute. On previous week students few gave speech to the other students about need of the blood donation and appeal the students for donation of the blood. Students prepared & put poster for appealing all for the blood donation. A team of 11 members including a doctor was deputed by Deenanath Mangeshkar Hospital Blood Bank. Six faculty members donated the blood by setting an example. Total 75 participants volunteered for the blood donation out of which blood from 55 participants was accepted. The reason for was not accepting the blood informed to those 20 participants. In most of the cases it was underweight & less hemoglobin. Dr. Ashok Joshi, Director General visited the camp & appreciated participants & volunteers.
